

James Island Charter High School

Pride of the Island Band SPONSOR

The JICHS Band needs your help. Each year, band students must raise over \$60,000 just to meet expenses of uniforms, instruments, competitions, music, transportation needs, and band activity fees. The students raise this money through fruit sales, raffles, silent auctions, and - most importantly - sponsorships.

We need your help!

Become a sponsor of the Pride of the Island Band! All sponsorships will be listed in band concert programs and on the Band's website (www.jichsband.com). If we receive your sponsorship between May 1 and August 1 each year, you (or your business) will also be listed in the Fall Sports Program.

Yes! I would like to be a Pride of the Island Band Sponsor
