

MINUTES OF AUGUST 7, 2009 JICHS BAND BACKERS MEETING

1. Call to Order and Welcome: Meeting was called to order by Mr. Curtis. He explained that the band backers organization is made up of parents, grandparents, all family and friends who support the band, and asked that everyone find a way to support the band in a volunteer capacity. He introduced the band backer officers and explained that any emails or communications coming from them were to be considered as if they came from him, as the job of these officers is to help support the job of the band director.
2. Minutes of Previous Meeting: Minutes of previous meeting were not read.
3. Treasurer's Report: Mr. Curtis reviewed the financial report, stating that the balance in the bank was roughly \$2,000 and the band backers owed roughly \$4,000 in debts. He urged parents to work on fundraising and spoke about the Fair Share concept for each student.
4. Fundraising Report: Ms. Crystal Blue gave a report on the various methods of fundraising available.
5. Outstanding Uniform Orders: Mr. Curtis explained that if the uniform orders were not turned in and paid for, then the student would not be allowed to attend Sertoma next week.
6. Chaperones/Support: Mr. Curtis urged all families to come support the band students at football games, at concerts, and particularly at their competitions. He also asked that they sign up as chaperones for the events, since the band cannot travel off campus without the required number of chaperones. Jane Scutt advised that she had the chaperone signup forms on the table, and asked parents to stop by and fill one out.
7. Forms/paperwork: Mr. Curtis advised that students whose health insurance forms and medical releases were not turned in would also not be allowed to travel to Sertoma, as this is a requirement of school policy to have these on file before traveling. Thursday of next week is the last day to turn in the forms.
8. The meeting was adjourned.
