

James Island Charter High School Band Backers

Camp Scholarship Program – 2006-2007

Purpose of Program

- To motivate students and parents to raise additional fair share beyond the basic established rate for the band season.
- To encourage students to continue with their musical education and practice throughout the summer months by attending an accredited band camp.
- To financially benefit band students, their parents and the Band Program at JICHS.

Guidelines for Program

- If the student raises \$400 or more over the established fair share rate for the band season by April 30, 2007, he/she qualifies to receive a premier band scholarship for a summer camp. (Example: for 2006-2007 fair share = \$600; student must raise \$1000 to receive scholarship funding.)
- Once the student qualifies for a premier scholarship, the scholarship is calculated as 30% of the amount earned in excess of fair share. (Example: If student raises \$1,000 in fair share for the year, the scholarship amount would be \$120; $\$1,000 - \$600 = \$400$, so $\$400 \times 30\% = \120 earned for scholarship).
- If the student raises \$601 - \$999 in fair share by April 30, 2007, he/she qualifies to receive a basic band scholarship for a summer camp.
- Basic band scholarships are calculated at a rate of 20% of the amount in excess of fair share. (Example: If a student raises \$900 in fair share, the funding amount would be $\$900 - \$600 = \$300$, so $\$300 \times 20\% = \60 earned for scholarship).
- All scholarship money will be paid to the band camp the student will be attending. Under no circumstances will scholarship money be payable to the student or parent.
- If the student is a senior and will be attending college in the upcoming school year, the scholarship money can be used to pay college tuition or books in lieu of summer band camp.
- Students who qualify for this scholarship program must submit the Band Backer scholarship request form to Mr. Curtis or an officer of the Band Backers Association by May 10, 2007, to receive funding. If the request form is not received by May 10, 2007, any scholarship money earned may be forfeited.
- If you do not have all of the information by May 10, 2007, you should still submit the request form with as much information as possible so we can plan for this future disbursement.
